KEY FEATURES

Dot matrix display with multiple program options

MyFlex™ deck cushioning system delivers proportional cushioning effects regardless of user weight and is so durable it has a lifetime warranty

Large 22" x 61" belt provides ample running space and is constructed from carbon-weave, low friction material that is resistant to static buildup

FlowTec™ cooling and cleaning system protects drive motor and key electronics from dirt and heat buildup

Optional entertainment screen bracket

T630 features an easy-to-use dot matrix display featuring professionally designed programs. This visually stimulating display features CardioAdvisor™ and multiple feedback options.
